

Pinellas County & City of Largo

2013 Lakes & Ponds Education Day

May 4, 2013

Invitation to Sponsor or Exhibit

Pinellas County Watershed Management partners with the City of Largo to offer information about the health and management of stormwater ponds in Pinellas County. This annual event provides citizens the opportunity to share information, gain useful management tips, and learn about the efforts of various organizations. Exhibits from government and environmental organizations will offer attendees a chance to talk with experts about everything from native landscaping efforts, stormwater pollution prevention and water conservation.

Please join us!
Your assistance is requested in protecting
Pinellas County water resources.
